

UASSP Update

January 13, 2022

Utah Secondary Administrators,

We hope you are all staying safe and doing well amid the latest surge of COVID cases. We know that some of you are in the middle of "test to stay" at your schools, and some are involved in online learning days. Hang in there!

1. Mid-Winter Conference - Time to Thrive

Our Mid-Winter Conference is still happening in person on January 24-26 at the Conference Center in St. George. Registration remains open at uassp.org, but will close on Tuesday, January 18 (including golf). We will follow the Washington County COVID guidelines. As of right now, masks are recommended but not required.

We are looking forward to honoring our new High School and Middle School Principals of the Year for 2022, as well as the new Assistant Principal of the Year.

Besides our amazing State Superintendent, Sydnee Dickson as well as Dr. Jody Carrington, author of *Kids These Days*, we have many great presenters and are looking forward to learning and collaborating together.

Please see the following links for more information about the conference.

2. UASC Conference Postponed

The Utah Association of Student Councils Conference that was scheduled for Saturday, January 22, has been postponed. Watch for more information to come.

3. Connect and Communicate with Legislators

The Legislative Session begins in a couple of weeks. Please take the time to **Connect and Communicate** with your local legislators about our UASSP priorities for the session (refer to previous UASSP Legislative Update/posted on website).

Thank you for watching out for each other during this challenging time. We look forward to seeing you at the conference!

Rhonda
