

JIMMY CASAS

CULTURIZE

WE ARE BLESSED EVERYDAY WITH THE OPPORTUNITY TO HELP CHANGE SOMEONE'S LIFE WITH OUR WORDS, OUR ACTIONS AND OUR BELIEF IN THEIR ABILITIES. BY CHANGING OUR PERSPECTIVES WE CAN CHANGE LIVES.

CHAPTER 1

WHAT DOES IT MEAN TO CULTURIZE?

To cultivate a community of learners by behaving in a kind, caring, honest and compassionate manner in order to challenge and inspire each member of the school community to become more than they ever thought possible.

4 CORE PRINCIPLES

- Be a CHAMPION for all students (chapter 2)
- Expect EXCELLENCE from everyone in the school (chapter 3)
- Carry the banner of school POSITIVITY (chapter 4)
- Be a merchant of HOPE (chapter 5)

EVERYONE IS A LEADER

IF ADULTS BUY INTO THE MINDSET THAT KIDS CAN'T, THEN HOW CAN WE COMPLAIN WHEN KIDS WON'T?

YOUR VIBE ATTRACTS YOUR TRIBE!

BEHIND EVERY STUDENT SUCCESS STORY IS A STAFF MEMBER THAT CHAMPIONED FOR THAT STUDENT.
