T – TEAMWORK

R– RESPECT

O – OWNERSHIP

N – NICE

G – GRATITUDE

GVMS is always looking for students who take actionable steps to display the components of being Bulldog Strong. Students can earn Bulldog cards from faculty and staff when positive behavior occurs. GVMS finds it beneficial to reward the desired behaviors that make our school and students STRONG with drawings and reward systems. However, our key focus is to build within the student and school community an intrinsic value of being STRONG. So when faced with challenges students can face adversity with an attitude of strength and unity.

GVMS has an amazing faculty and staff that is dedicated to students and the school. This team creates a school climate that reinforces that every student needs to feel valued and safe. The teachers keep a growth mindset toward their own learning as well as the students. The faculty and staff value the community and understand the importance of having a STRONG school. This partnership between the school and the community will help to empower the future of our students.

It takes all of us to make a school STRONG!
