

## **Utah High School Secretary of the Year – Gail Lee**

Congratulations to Gail Lee from Whitehorse High School for being selected as our Utah High School Secretary of the Year for 2024-25. Gail is the Financial Secretary at WHS and has been there for the past 28 years.

Gail is friendly and willing to help all stakeholders. Since she has been helping at Whitehorse for many years, she knows most people in town, including family members of her students. Everyone knows and loves Gail. In our smaller high schools, the secretaries wear many hats. She does multiple jobs at Whitehorse.

According to Principal Kim Shaeffer, “She does a tremendous job with Fee Waiver Applications, disbursements, and reimbursements. Additionally, her financial paperwork is correct to the penny nearly every single time! Gail is one of the hardest workers, and most professional, with whom I have associated in my more than 25-years of being an educator. Even when the conversation is challenging, Gail remains cool and collected while doing her best to resolve any issues.”

We appreciate her service to the students, staff and parents at Whitehorse High School and her example to secretaries in the state of Utah.

Congratulations to our Utah High School Secretary of the Year, Gail Lee!
