

UTAH ASSOCIATION OF SECONDARY SCHOOL PRINCIPALS

February 17, 2025

Secondary Principals,

We hope you were able to relax and have some fun over the long weekend. Besides Valentine's Day and President's Day in February, it is not too late to celebrate the following this month:

- National School Counseling Appreciation
- National School Resource Officer Appreciation

Please make note of the following:

1. Legislative Update

Thank you for staying updated on what is going on in the legislative session so that you can reach out to your legislators when needed. #connectandcommunicate

A. [Bill Tracker](#) – The bill tracker has been updated.

B. [Week 4 Summary](#) – This was a busy week. There was an update on the 504 lawsuit from the Utah Attorney General. Included is a link to the Attorney General's website.

C. [Weekly Calendars](#) – The House and the Senate have listed their weekly calendars for weeks 5-7. These calendars list the committee meetings.

D. Thanks for your help with SB37 and SB102.

E. HB267: Public Sector Labor Union Amendments was signed by Governor Cox on Friday. Read a short statement from Governor Cox [here](#).

F. [Utah Loves Public Schools](#) – Check out the website supporting public schools in Utah.

2. Two Administrative Opportunities in Northern Utah

A. Cache County School District Executive Director/Secondary Education

The Cache County School District has posted an executive director position in secondary education. The

start date will be July 1, 2025. See the following link for more information about the job and how to apply.

[Click Here](#)

B. Logan High School Principal

Logan High is a great school, with a diverse student body and a long tradition of student success. They are looking for a principal who has the ability to join a strong K-12 leadership team, and provide the calm, focused leadership that will support the continued success of the teachers and students at LHS. See the following link for the job posting, which closes on February 21.

Many of our winter sports and activities are winding down. The spring season will be here before we know it. Thanks for all you do for our secondary students in Utah!

Please let us know how we can help.

Rhonda
