USBA wants to showcase the great things happening in schools across the state. We are looking for schools to showcase clubs, activities, artwork, classroom work, and student involvement. There will be tables in the Rotunda to showcase schools and students. A 10X10 space will be provided as well as a table and two chairs. Set up begins at 2:45 PM and take down by 6:30 PM. Districts will be responsible for providing transportation. If you have any questions, please email Lexi Cunningham (lcunningham@usba.cc)

5. Upcoming Utah Legislative Session - *Connect and Communicate*

The legislative session in Utah will begin soon. As a reminder, the UASSP Executive Board and Legislative Council voted to approve the JLC Priorities for the upcoming legislative session. We also added a UASSP priority about continuing state funding for CTO's. Thanks for your help with our goal to ***Connect and Communicate*** with your local legislators so that we can be part of the conversations during the session. Please contact UASSP State Coordinator Peter Glahn at pglahn@alpinedistrict.org if you have any questions.

We are looking forward to seeing you in a few weeks at the conference.

2026 is going to be a great year for our Utah Association of Secondary School Principals. We appreciate all that you do for the students in Utah!

Rhonda
