

# UTAH ASSOCIATION OF SECONDARY SCHOOL PRINCIPALS

---

March 15, 2026

Secondary Principals,

This Friday, March 20 is officially the first day of Spring!

Spring Break is right around the corner for many of you. We hope you enjoy some well-deserved time off.

Please make note of the following:

## 1. **2026 Legislative Session Wrap Up**

The 2026 Utah Legislative Session is officially over. Please review the Legislative Summary in the following two documents. We appreciate the many secondary principals who got involved this year. We need to continue to *connect and communicate* with our local legislators so that our voices are heard.

## 2. **1A/2A Principal Representative of the BOT**

We appreciate Devin Smith for representing the 1A and 2A classifications on the Utah High School Activities Association Board of Trustees. Devin's term on the BOT will end at the end of this school year. Since Devin is from a 2A school, the new BOT representative for 1A/2A must be from a 1A school. Each 1A and 2A school received a ballot for voting. Based on those results, we have recommended **David Cluff** from Milford High School to represent the 1A/2A schools on the BOT starting next school year.

Thanks for your willingness to serve David. We appreciate all of the principals that serve on the Executive Committee and the Board of Trustees at the UHSAA.

## 3. **Upcoming Conferences**

Mark your calendars now for our upcoming UASSP Conferences:

June 8-10: Summer Conference in Park City

October 7: Secretary Conference at Thanksgiving Point

November 4: Assistant Principals Conference at The Barn

\*We are excited to announce that we have a new venue for the AP Conference next year. We have outgrown The Garden Room.

#### 4. April 2026 is Resilient Utah Month

Governor Spencer Cox is declaring April 2026 as Resilient Utah Month, presented by ResilientYOU. All Utah schools are encouraged to incorporate the theme of RESILIENCE in their activities, announcements and events. Nominations are now open for the Utah Education Tribute Awards at [resilientyou.org](https://resilientyou.org).

#### 5. Ed Talks

If you are interested in presenting an "Ed Talk" at our Summer Conference this June, please email [rhonda.bromley@uassp.org](mailto:rhonda.bromley@uassp.org) with your presentation's title and explanation. You are welcome to nominate another administrator as well. Share the information and we will contact the administrator to see if they are interested. An "Ed Talk" is a 10-15 presentation on a topic of your choice. We received great feedback on the presentations from our last two summer conferences.

#### 6. Celebrate Retiring Administrators

We are excited to celebrate and honor our secondary administrators who are retiring this year during our summer conference. If you know of a retiring administrator, please share that information at [rhonda.bromley@uassp.org](mailto:rhonda.bromley@uassp.org).

The end of the school year is just over two months away. Thank you for helping your students and staff end strong! We appreciate all that you are doing to help your students be successful. We have amazing secondary principals in Utah!

Rhonda
